CONSUMPTION AND LIVER COMPLAINT.

BALSAM OF LIVERWORT

DR TAYLOR'S BALSAM of LIVERWORT has been used successfully for eight years in the Cure of these Diseases Remember! the original and genuine is sold ONLY at 375 Bowery, New York ALL others are spurious and unauthorized

CONSUMPTION & LIVER COMPLAINT

As a general remedy for these diseases, I am fully satisfied from long experience there is no medicine equal to Dr Taylor's Balsam of Liverwort Being purely vegetable it can be used with the utmost safety by all persons in every condition It cleanses the lungs by expectoration relieves difficult breathing and heals the chest There can be no question but this medicine is a certain cure for chronic coughs and colds. I have used it for four years in my practice and always with success A F RODGERS M D

SPITTING OF BLOOD This disease consists of a discharge of Blood, often frothy, from the mouth brought up with walking and coughing, and is usually accompanied with difficulty of breathing and some pain in the chest Sometimes it is preceded by an oppression at the chest, a dry cough at night shooting pains This disease is always more or less dangerous The great danger is that these symptoms may terminate in consumption and immediate remedies can alone save this end But Dr Taylor's Balsam of Liverwort is a sure remedy and to shew its unparalleled success certificates of cures from 4 of our citizens, and many physicians will be published in a few days.

NERVOUS DISEASES AND WEAKNESS Dr Taylor's Balsam of Liverwort made at 375 Bowery is assuredly an excellent remedy for these diseases My wife has been more or less ill for ten years She was extremely nervous and at times so weak that she could not attend to her domestic duties By the use of this medicine her strength is wholly restored and she is as healthy as I can wish her to be My address is at Dr Taylor's office—

CURE OF CONSUMPTION Mrs Martin a worthy member of my congregation was taken ill some time since with a cold pain in the breast and some difficulty of breathing and in a few days the patient had a violent cough and violent pain in the sides which no medicine would relieve She continued in this way for a long time under the medical care of Dr Rea but finally became consumptive and was evidently near the end of her earthly sufferings when her brother persuaded them to try Dr Taylor's Balsam of Liverwort When she commenced this medicine it did not seem to agree with her for a few days but by lessening the dose she found it answered admirably it relieved her cough and her difficulty of breathing instantly, and we had the pleasure of witnessing her rapid recovery to health

To the Honorable Senate and House of Representatives of the State of Maine, in Legislature assembled

THE undersigned would represent that they are the owners of a farm mostly situated in the town of Dexter in the County of Penobscot and the balance about twenty five acres in the town of Ripley in the County of Somerset, and that the portion which is in Ripley is so situated that in order to conduct their business with facility and advantage, it is necessary that they should erect a portion of their farm buildings on that part lying in Ripley and that this with other inconveniences which naturally arise from said division of their farm such as the being obliged to pay a portion of the taxes in one town and county, and a portion in another town and county induce us to request that your Honorable bodies will pass an Act to set off so much of our land as lies in the town of Ripley in the county of Somerset, and annex it to the town of Dexter in the county of Penobscot, and as in duty bound will ever pray.

Adams's Venus Water.

"The true Remedy! the Sovereign Restorative!" the grand producer!!! The subscriber informs the public that after FOURTEEN YEARS of study ten of which have been years of immense labor and difficulty he has discovered the only true remedy against the loss the sovereign restorative in case of a deficiency and the grand producer of that most beautiful ornament of "the human form divine" THE HAIR!

That it may be known that this Venus Water is an invaluable article I will state that in the first years of my labors upon it, the application to the head for two consecutive seasons was necessary in order to establish a good growth of hair but now only one season is required so successful have been my improvements upon it And I have the proud satisfaction of knowing that in the City of Bangor alone *three hundred and forty heads* which were once bald can by the heavy growth of hair upon them bear witness to the wonderful effects which this Venus Water has produced within eighteen months!

I will add a few of the certificates almost innumerable which have been given me by individuals who have derived benefit from this Water

Mr T D Adams Having availed myself of the extraordinary benefits of your Venus Water I feel it my duty to the public as well as to yourself to submit for their perusal a plain statement of the facts in my case I had been entirely bald for seven years and had lost my eye brows during which time I tried the remedies of three physicians without any benefit

In reading over the advertisement of your celebrated Venus Water I concluded to try it and now am the proprietor of a fine head of hair and a fourth of hair of eye brows
Miss ELIZA WORTHINGTON
Bangor May 8 1841

This is to certify, that I have used Mr Adams Venus Water for baldness of the head and that it has restored me a good head of hair where before using it the hair was entirely gone I also have used other medicines which have started the hair but it would come out again But the Venus Water has restored it so that it is as strong in fact stronger than before I first lost it And to all persons who are troubled with baldness I would say be sure and call on Thomas D Adams and try it immediately and you will have your hair growing again forthwith
ARTEMAS J EGERY
Bangor, May 14 1841

This may certify that for the last six months I have used T D Adams Venus Water and have the satisfaction to say that the top of my head which for a long time was bald is now entirely covered with a good growth of hair
EDMUND HOLT
Bangor February 25 1841

I hereby certify that for the last two or three years my head has been bald and that during that period I have used a great number of applications recommended for their efficacy in restoring the hair from which I have not received any benefit some even having proved injurious and the past summer I made use of Thomas D Adams Venus Water, which has entirely exceeded my expectations and covered my head with a strong growth of hair HANNAH PALMER
Bangor, May 15 1841

This may certify that the hair upon the top of my head being nearly gone and the remainder fast dropping off daily I was induced by Mr T D Adams to try his Venus Water and during the last year he has made frequent applications of it to my bald head I have now a considerable growth of new hair produced as I suppose by the use of his remedy E HARRIS
Bangor Feb 8 1841

This may certify that I called on Mr T D Adams in May 1836 I used his Venus Water for three months and it has produced as much hair as I wish to have on my head
Bangor Sept 1837 NANCY SMITH

This may certify that my head was entirely bald and by the use of T D Adams Venus Water for three months my hair has been restored
Bangor Feb 15 1841 CALEB B HOLMES

I have used Mr Adams's Venus Water for the growth of the hair for about six months, and am happy to say that it has answered every purpose in producing a good head of hair and prevent the hair from coming out by combing
Bangor, Feb 9 1841 MARY JONES

This may certify that for the last six months I have used T D Adams Venus Water and have the satisfaction to say that the top of my head which for a long time was bald is now entirely covered with a good growth of hair
Bangor Feb 12 1841 WM FROST

This may certify that for the last twenty years the top of my head had been bald but now is well covered with a good growth of hair I used the Venus Water for four months
Bangor, Feb 15 1841 L K WARREN

This certifies that I have used a preparation made by Mr Thos D Adams of this city to restore hair to the head after it had fallen off and having derived much benefit from it I would cheerfully recommend its use to others

Substitute for Calomel;

as a Cathartic in Fevers and all Bilious Affections

THESE popular Pills being a combination of a newly discovered Alkaline substance, extracted from the TOMATO PLANT with other vegetable substances which have been found to modify and diffuse its effects, are believed to be the best Alterative and Cathartic Medicine ever discovered They have been abundantly and successfully tried, and have received universal approbation for Scrofula, Dyspepsia, Jaundice, Bilious Diseases, Gravel, Rheumatism Coughs, Colds Influenza Catarrh, Nervous Diseases, Acid Stomachs, Glandular Swellings of all kinds Costiveness, Cholic Headache, &c.

They are an antidote to Contagious and Epidemic diseases, prevent the formation of Bilious and Liver affections Fever and Ague, &c, in those who [illegible] and warm countries and are the best Cathartic that can be used for those localities Seamen will find them an infallible remedy for the Scurvy, and Travellers the best medicine they can use to counteract the dangers of exposure in unhealthy climates For ordinary Family Physic, they are universally approved as the best ever offered

These Pills have a powerful and salutary operation upon the Glandular System removing all obstructions from the Gland wherever situated, Scrofulous and Scrofulous Taints in all their forms, and if persevered in no case of Scrofula, however severe, can resist its influence It is in their operation on the Glandular System that their effects are so peculiar and potent, and so nearly resemble that of Calomel In fact the Tomato has all the Alterative Deobstruent and Cathartic properties of Calomel, without ever producing unpleasant or injurious effects under any circumstances, either from exposure to cold or wet, on the contrary, the Compound Tomato Pills are the best remedy ever known to counteract the effects of Mercury, completely eradicating every particle of it from the system, and renovating the constitution broken down by its use Which it does by correcting the state of the blood, and through that, correcting the morbid secretions of the glands, and restoring them to a healthy and their own proper action Its effects are analogous to Sarsaparilla and Blood Root, and in its combined action in the ingredients composing the Pills, it exerts a universal action peculiar to itself

The peculiar virtues of the Tomato Plant, have for a long time attracted the attention of the Medical profession and the Public, and a lively interest has recently been directed to the future developement of its active powers and its Antibilious and Alterative qualities; which the Proprietor is now happy in being able to gratify and presents his Pills to the Public with the full confidence of their being the most safe and valuable remedy ever discovered adapted to all cases where nature is disturbed, and when any of the functions do not perform their natural or healthy action

Numerous certificates of cures, from those who have taken them, and the testimony of several Physicians who have prescribed them, all concur to corroborate this opinion The rapidly increasing demand for, and the universal approbation bestowed upon them, is an additional evidence of their merits and usefulness

In presenting this article to the public, the Proprietor was influenced by the hope that a medicine prepared with much care, and strict regard to the Chemical and Therapeutic properties of its several ingredients should take the place of the thousand and one irresponsible nostrums of the present day with which the country is deluged and from the favor already bestowed upon it by physicians and others, he feels justified in expecting this result.

Often have the cures performed by this medicine been the subject of editorial comment, in various newspapers and journals, and it may with truth be asserted that no medicine of the kind has ever received testimonials of greater commendation than are attached to this.

Females from forty to fifty years of age will find them a powerful assistant to nature in the important change in the functions of the system removing all liabilities to Cancers glandular swellings &c, and assisting to establish that new action in the animal economy which nature often fails to do None should avoid a free and continued use of them, if they wish to escape a long train of incurable maladies. For this purpose one should be taken every night and morning and continued as long as any unpleasant symptoms remain

For that congested and deranged state of the system which occurs in the commencement of Spring and Summer these Pills are particularly applicable in preventing Rheumatism Coughs congestion of the lungs &c, and have prolonged many a life that otherwise would have been a sacrifice to the changes of the season

Those persons liable to sore throats swelling of the glands, coughs, and other symptoms indicating Scrofula or Consumption, should take warning in season and embrace a remedy which while it is searching out and eradicating disease makes no deductions from the vital powers of the system.

As a Dietetic or Dinner Pill one taken half an hour after dinner, will sufficiently stimulate the digestive powers of the stomach, to a healthy and invigorated action and they are found extremely serviceable for those who indulge in long dinners or late suppers, or immoderately in deserts or fruit

PILLS Unlike the numerous speculations of the day there is one medicine which deserves the popularity and patronage it is receiving We allude to Dr Phelps' Compound Tomato Pills. Judging from the patronage they are receiving from the Medical Faculty and the approbation of those who have used them we should expect they would supersede all others in use as a family medicine. Being introduced by a respectable and practical member of the Medical profession whose character in this vicinity is a sufficient guarantee for the character of his medicine, we are enabled thus confidently to speak of it, and fully believe it is entitled to the confidence of the community

COMPOUND TOMATO PILLS

Dr Phelps of Hartford has brought into successful use a most invaluable medicine in the Pill form the chief component of which is derived from that healthy and pleasant vegetable, the Tomato As this plant is known to possess medicinal virtues of a high order as well as a large amount of nutriment, so the medicines into which it is compounded is known to be peculiarly available as a curative remedy in morbid secretions of the Liver and Stomach, impurities of the blood, and diseases of a bilious type generally It is an excellent substitute for calomel, as an anti bilious and cathartic medicine will not its injurious properties, and has been found extremely efficacious in the cure of a long catalogue of diseases Having adventured upon the use of this medicine ourselves, we cordially recommend it to others.

The Hoarhound Liverwort and Pleurisy Root have for centuries been celebrated in the cure of diseases of the Lungs and Liver

Dr B. D. Allen after a series of experiments has been able to extract from these medical herbs a balsam, which exerts a most wonderful effect in curing Consumption and Liver Complaint and all other diseases of the Lungs and Chest So great has become the reputation of Dr Allen's Balsam that it is now used in the New York Philadelphia and Baltimore Hospitals and in the private practice of our most eminent medical men

For children labouring under Inflammation of the Lungs Colds Coughs, Croup, Quinsy, and Sore Throat this Balsam is of great importance The number of deaths among children from these diseases is truly alarming If parents wish to save the lives of their children and themselves much trouble anxiety, and expense let them procure Dr B D Allen's Balsam; and whenever a child has taken cold has any fever cough, or hoarseness give a teaspoonful of this medicine and repeat it if necessary, even one teaspoonful will often effect an entire cure. During the winter of 1839 rising of one thousand families employed this remedy in the city of New York The consequence was, that the number of deaths among children was reduced to less than one half the usual number as may be seen by the city inspector's report of deaths.

In order to give the reader some idea of the efficacy of this Balsam and how extensively it is used we here introduce the monthly report of the cures it performed in the month of May, 1839 as furnished us by the agent and published in the New York Sun

BEWARE OF PEDLARS!!

The genuine article cannot be obtained of them on any pretence whatever

I NEVER EMPLOY THEM NOR ALLOW THEM TO SELL MY MEDICINES.

And all Bitters, put up in phials and small round bottles, purporting to be mine,

ARE BASE COUNTERFEITS.

As some are base enough to fill the empty bottles with their stuff and thus deceive the unwary, and some have attempted an imitation of my Bitters in papers.

BE CAREFUL OF WHOM YOU PURCHASE!

In consequence of these attempts at imposition, I have been at great expense in having new directions and wrappers and in future the Bitters in papers will be done up in a different style See that the envelope has on it my name in full, "entered according to act of Congress, in the year 1840, by S O Richardson, M. D, in the Clerk's Office of the District Court of Massachusetts," and on the other side, "Established at South Reading, County of Middlesex, Massachusetts" The border around the inside directions, (which are printed on white tissue paper,) is so curiously engraved that the words "Dr S O. Richardson's Sherry Wine Bitters" present themselves in a thousand different forms. As a copy right has been granted me,

ALL INFRINGEMENTS WILL BE STRICTLY DEALT WITH according to law. The bottles are nearly ready to be issued in the same style

All Bitters prepared by me have a fac-simile of my signature on the outer envelope,

Important Caution.

It is a singular fact and one much to be regretted that valuable medicines as soon as they become popular, and have received the test and approval of a discriminating public are sure to be counterfeited and thus a bad and spurious article is immediately palmed upon the unsuspecting as the genuine This has been notoriously the case with all popular and truly valuable medicines for years past and will probably continue to be the case for years to come

The base and contemptible counterfeiter in this way usually takes advantage of all the efforts and the advertising used by the proprietors of the genuine article to get their medicines into use and deserved popularity It is therefore not less the duty than it contributes to the safety of every individual in the community, to expose frown down and forever offer distrust all heartless ingraters who thus unscrupulously trifle with health and life.

THEREFORE TAKE NOTICE

There is a person by the name of J B ROCHEFORT, now engaged in selling a Pill done up in boxes in exact and perfect imitation of the genuine INDIAN VEGETABLE PILLS with the omission of only one word on the boxes viz WRIGHT The Pills sold by this Rochefort are evidently intended as a fraud and imposition upon the community as they would not have been done up in such exact imitation of the genuine This person is tall and limping, with a great theatrical air He is recently known as a very poor player in Baltimore under the musical cognomen of Jim Brown and is about twenty five years of age It is almost beyond a doubt that he is supplied with the Pills from a [illegible] in Boston who is notoriously connected with counterfeit medicines As soon as proof is obtained the fountain head of this nefarious business will be exposed that the community may shun them as they would a serpent

AN THE MEAN TIME THE PUBLIC ARE CAUTIONED

against buying WRIGHT'S Indian Vegetable Pills of any one who does not exhibit a certificate of agency signed by the agent for the New England States and bearing date since January, 1840 Also take particular notice that the following wording is on the Boxes—

"WRIGHT'S *Indian Vegetable Pills* (Purgative) of the North American College of Health

THE INDIAN VEGETABLE PILLS are a complete cure for disease in the every variety of form because they thoroughly cleanse the stomach and bowels induce a proper discharge by the lungs kidneys and stimulate the blood to purity itself In other words they open all the natural channels and leave NATURE (THE GRAND PHYSICIAN) free to drive disease from the body The above outlets or drains are the common receptacles through which all morbid and corrupt humors (the cause of disease) are carried off and so long as they are all kept open and discharge freely the vitiated portions of impurity the body will continue in health, but when from taking improper food, breathing impure air, sudden transitions from heat to cold overexertion, or any other cause the bowels become costive, the pores of the skin become closed or the kidneys fail to perform their functions properly, the impurities which should be drained from the body by those outlets will be retained and recirculated to accumulate until the body becomes literally filled with disease

The above pills may be taken at all times and under all circumstances with perfect safety They suit all complaints and all ages, and are as congenial to the human constitution as food consequently they can never injure even the most delicate Like our food they are digestible, therefore they enter into the circulation and impart an energy to the blood which enables it to flow with freedom and to the extremities and consequently to keep the pores of the skin open They are true and powerful purifiers of the blood, because they drain all corrupt humors from that life giving fluid They impart strength and vigor to the whole system as their effects are always beneficial; because they only remove those humors which are opposed to health They aid and improve digestion and sleep follows their use; because they cleanse the stomach and bowels of their slimy humors which not only irritate and excite the nervous system but paralyze and weaken the digestive organs In short they possess all the good properties that can be claimed for any medicine, and what is very remarkable it is utterly impossible to use them without benefit

Price 25 cents per Box with full Directions
